## English Enrichment

We want our students to enjoy the study of English as much as possible, so offer a range of experiences to broaden their understanding and enjoyment.

We do this in a number of ways:

- Book groups;
- Book week which includes competitions, games and visits from authors;
- Poetry/story writing competitions;
- Theatre and Cinema visits;
- Inspirational visits from authors and poets;
- Day trips through the WIT program – which include meeting famous authors;
- Peer reading sessions;
- National Poetry Day;
- Lunch time Film Club;
- Lunch time and after school Homework clubs;
- Sponsored Readathons;
- Library Facebook group;
- Educational trips – Visit Stratford-Upon-Avon the birth of Shakespeare;
- HAMOZINE;
- Exam preparation sessions are also offered after school and during the school holidays to ensure that our pupils are fully prepared for their exams;
- We encourage our students to develop their IT skills as an aid to language development;
- Intervention and personalised learning on a one to one basis.
