The above table shows a broad overview of the modules taught in Music at KS3. Colour coding indicates the different skill sets covered and developed over years 7 and 8; Percussion, Keyboards, Guitars, Vocals, Theory, Bandwork. Our curriculum is intended; to allow students to access a range of musical skills, to give a broad understanding of not only instrumental technique but of a range of musical genres. The year 9 curriculum is now standardised across Music and Drama through the delivery of the Bronze Arts Award (Level 1 Qualification) in order to best prepare students for an effective and successful into GCSE and BTEC. Students leave KS3 with a comprehensive understanding of the Arts and are well placed to go on to achieve highly at KS4.
